Ancient Greece Infographic

Directions: Create an infographic on a PowerPoint slide. Pick a topic that you would like to research on Ancient Greece (ex: the Olympics). Research your topic using the computer and school resources. Make sure all the elements in your infographic are organized, clearly visible, and well placed.

Your poster must contain:

-A unique title

-6 important facts on the topic

-Three labeled images (using captions)

-Three sources cited (use a second slide to list websites and sources)
